# 1 Summary of Performance

## 1.A Introduction

This Budget Performance Report for Delta State is prepared quarterly, and issued within 4 weeks from the end of each quarter.

This report includes, the original approved budget appropriation for the year 2022 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q4, attributed to each organizational unit, as well as the cumulative expenditures from 1<sup>st</sup> January 2022 to 31<sup>st</sup> December 2022, and balances against each of the revenue and expenditure appropriations.

This Q4 report is assessed against the 2022 Original budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 22
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Office of the Accountant General, and published on the Delta State website([www.deltastate.org.ng](http://www.deltastate.org.ng)) after the end of each quarter.

## 1.B Revenue Performance

The Revenue Performance for the fourth quarter year-to date 2022 was 148.4% of the Budgeted Revenue for both Government share of Federation Account, that is, Statutory Allocation, Mineral Revenue and the State Independent Revenue (i.e., Internally Generated Revenue (IGR)). The individual Revenue Performance, Government share of Federation Account was 163.6% year-to date while Independent Revenue had a 95.5% performance. There are some IGR codes that were not budgeted for but revenues were collected during the period under review especially on withholding tax consultancy where N8.014billion was generated in the first, second, third and fourth quarter of the year and there were no budgetary provisions, however a supplementary budget have been approved to cater for this, while some independent Revenue are underperforming as at the end of the 4<sup>th</sup> quarter. In relation to FAAC Revenue, it was projected during the year that oil prices will maintain a steady growth, however, the Russia and Ukraine war and the winter season have drastically increased the market price of crude oil to an average of \$85 dollar per barrel during the quarter under review. This will enhance the revenue from the oil sector which will ultimately result to the performance of actual FAAC more than the budgeted in the year. FAAC Revenue also increased during this period due to Excess crude and 13% derivation refunds to the State by the Federal Government.

The fourth quarter of the year saw tremendous increase in economic activities and more countries relaxing the stringent measure put in place to protect their citizen from the Covid 19 pandemic despite new string of the virus and reopening of closed factories and Business. The relative peace in the Niger-Delta has also played a major role in the steady flow and production of crude oil in the State. However, the activities of oil vandals disrupted oil production accruing to the State and the Nation in general during the period under review. In relation to internally generated revenue (IGR), the State has continued to expand its tax base of the informal sector and also the continuous enumeration of buildings connected to the national grid in major cities when completed will help to increase the IGR in the upcoming quarter. The increase incentive from the State Government to attract Foreign Direct Investment (FDI) and the fast completion of Kwale Agro-Industrial Park will spur the increase in the State IGR through increase in PAYE and other tax collections.

### **1.C Recurrent Expenditure Performance**

The overall Recurrent Expenditure had 181.3% Q4 year-to date performance as against the approved Original budget for year 2022. Overhead expenditure had 120.0% Budget Performance and this is as a result of increase in security activities and massive renovation and maintenance works on infrastructures around major cities in the state. while Other Recurrent Expenditure (excluding 2201) which includes, Social Benefit (wherein the State Government released special funds of N11.8billion to cater for Pension arrears during the 4<sup>th</sup> quarter), Social Contribution and Grants (including Local Government share of IGR and State's support for Local Government Employee Pension arrears of N2.5billion) had 256.8% Performance Rate for fourth quarter year-to-date, 2022. While other overhead which include Public Debt Charges (Loan Repayment and Interest) performed at 729.1%. The excess expenditure is as a result of the repayments of the additional Loan facilities acquired during the first to fourth quarter of the year. Social Benefit performed at 227.0% and social Contribution performed at 151.3% respectively. Personnel cost has a performance rate of 115.5%.

### **1.D Capital Expenditure Performance**

Capital Expenditure budget performance for fourth quarter year to date stood at 113.8% of the approved original budget. This shows that the actual performance was higher than the approved original budget. This performance was aided by Loans and refund from Federation Account (i.e from 13% Derivation and Excess crude revenue).

## 1.E Conclusions

The overall fourth quarter budget performance execution report can also be tagged ***excellent performance***, that is above 100%. His Excellency the Governor; has continued to assure Deltans of even distribution of the dividend of democracy especially infrastructural development and he will ensure he delivers on the 2022 budget with a title of “***Budget of Inclusive growth and Accelerated Development***” as passed by the House and assented to by him, banking on the continuous peace presently enjoyed by Deltans especially in the oil producing communities of the State and the increase in the tax bases of the independent revenue sources of the State, this will ensure that these promises are kept. However, the expenditure classes that were overspent have been accommodated by an approved supplementary budget of Two hundred and sixty-six billion, seven hundred and thirty million, two hundred and sixty-three thousand, six hundred and seven naira only (N266,730,263,607.00) (see attached approval).
